# APPLICATION OF ROAD CONSTRUCTION MACHINERY

**VINAYAK**<sup>®</sup>  
CONSTRUCTION EQUIPMENTS

Road machinery is help for better construction and maintenance roads in well condition. We are manufacture various types of **road machinery** that used in various stages of construction like road leveling, surfacing, grading, cleaning, marking and many more applications.

# OUR FOCUSING COUNTRIES

We exports our **asphalt drum mix plant** in various countries of world.

Malawi	United States	Botswana	Djibouti	Cayman Islands
Algeria	Kenya	Jordan	Ghana	Bangladesh
Bhutan	Belize	Senegal	Oman	Uzbekistan
Norway	Russia	Germany	Philippines	Portugal
Hong Kong	China	Japan	Afghanistan	Greece
